

To Erect \$100,000 Plant on Acre Site

KITCHENER, July 23.—The Kiss Beverage Company will erect a \$100,000 plant at the corner of Doon road and King street as a result of the City Council agreeing to sell a one-acre site to it from the new sewage disposal farm site for \$500. The structure will be a three-story one. The Kiss Beverage firm is a Kitchener concern, which has grown rapidly from a small beginning. When the new plant is completed it will employ 75 hands. The within 30 days another acre of land for firm also has an option to purchase a similar amount.
