In
Bottles

Easy to serve, easy to sell.
All you need is a sign, a
bottle opener and a stock
of Coca-Cola. Quick turn-
over. You need all the
quick turn-over goods you
can put in stock.

If everything in your store
was as quick and sure a
seller as Coca-Cola in
bottles, your profits at the
end of the year would
show big increases. Ev-
erybody knows — every-
body buys — Coca-Cola.
Sell your share.
